

Collaborating with Nature: *It's not just about light bulbs*

Workshop led by
distinguished
architect &
thought leader

Bill Reed,
A.I.A. LEED

*"Now is the time for us to grow, not just ever-larger and ever-more-consuming,
but ever more intelligent, more creative, and more conscious.
We are headed into the future. Are you coming with us?" - Bill Reed*

Saturday, January 16th, 2016 1-5pm

This free program has been underwritten by Green Earth Ministry
and Seeds of Peace of the Morristown Unitarian Fellowship,
and by the Garden State Earth Institute.

Donations will be appreciated
