

LAUNDRY PROTOCOL DURING CORONAVIRUS

NOTE: People with Symptoms of Covid-19 cannot use the shared laundry facilities.

People without Symptoms of Covid-19

- The Common House laundry room is for CH residents only.
- Only one person at a time in the CH laundry room.
- Wash and dry at the hottest temperature.
- Please be available to immediately move your wash from washer to dryer, and dryer to basket.
- Clean everything you touched with disinfectant spray and towels provided, including the button panels of the machines and the doors.
- Please do not use the laundry trash bins for trash brought into the room.

People Newly Recovered from Covid-19, their Care-Takers and People Coming out of Quarantine¹

- Using *Extreme Precaution*², post a note on the laundry room door when you wish to use the room.
- Do not mix laundry from a sick person with that from a well person.
- Wash each load of laundry twice using the hottest temperature.
- Dry your clothes using the hottest temperature
- Please be available to immediately move your wash from washer to dryer and dryer to basket.
- After use, clean the washing machines by running them with a 1/4 cup of bleach added to the water.
- Clean everything you touched with disinfectant spray and towels provided, including the button panels of the machines and the doors.
- Put your used plastic laundry bag into another bag, and deposit it directly into the outside trash bins. Do not leave it in the laundry room trash.
- Clean your hands immediately **after** handling the used laundry bags, and again immediately after leaving the laundry room.
- Do not use the laundry trash bins for trash brought into the room.

Note: The machines are being cleaned with ¼ cup of bleach once a day

¹ Your provider says you have recovered fully--- or you have been fever-free for 3 days plus 7 days have passed since the first onset of symptoms.

² *Extreme Precaution*: Clean your hands immediately **after** leaving your unit, wear a mask and, and stay 6' away from others. When leaving or entering the Common House, use the rarely used north staircase and go through the garage.
